**DETAILED ACTION**

***Allowable Subject Matter***

Claims 16 and 18-26 are allowed.

The following is an examiner's statement of reasons for allowance:

A decision by the Board of Patent Appeals and Interferences reversing Examiner's rejections of claims 16 and 18-26 was rendered on 06 May 2009. An examiner should never regard a reversal as a challenge to make a new search to uncover other and better references. See MPEP § 1214.04. An update of Examiner's prior search does not reveal any references which teach any of claims 16 and 18-26, either in a single reference or in an obvious combination of references. Accordingly, claims 16 and 18-26 are deemed allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James A.

Thompson whose telephone number is (571)272-7441. The examiner can normally be reached on 8:30AM-5:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Edward L. Coles can be reached on 571-272-7402. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
